COASTAL ASSOCIATION OF HEALTH UNDERWRITERS

## President's Message

Mark Waugh

October 2008

Greetings, and if you didn't vote early, VOTE NOVEMBER 4 !! NAHU has a lot of work to do regardless of the candidate elected for President. This makes it imperative that you continue to contribute to HUPAC and NCPAC so our voice is heard ! Thank you for your support !!

Our last meeting was most informative with our panel of candidates, Senator Julia Boseman and her opponent, Michael Lee, along with Representative Sandra Spaulding Hughes and her opponent, George Swart, and Representative Danny McComas answering questions presented by our moderator, Robert Paschal. After our meeting, members were invited to visit with candidates one-on-one.

We look forward to November's meeting with our NAIFA counterparts, and hope we don't encounter any new challenges. We are welcoming Fred Joyner, a past NCAHU president and current state president of NAIFA to speak to us on health care from a national and state viewpoint.

The Start! Cape Fear Heart Walk was a huge success this year! We had 10 team members raising \$1,715. The money will be used for research and treatment development for stroke and heart disease. Heart disease and stroke are the number 1 and number 3 killers in America. The CAHU team walked together on the cold and rainy Saturday morning and helped The Cape Fear Heart Walk raise over \$170,000.

## Domestic Violence Shelter

Remember to collect the hotel soaps and shampoos for the Domestic Violence Shelter kits!

## Why is HUPAC Necessary?

Few other industries are as heavily regulated as health insurance. Therefore, your success, and that of your clients, is directly dependent upon the actions of Congress. It is absolutely critical that we help those congressional candidates who support private-sector health insurance.
