GOLD SPONSOR

SPEAKER - MAY MEETING
LISA GIBSON
INCLUSIVE HEALTH

PRESIDENT'S REPORT:

Michael A. Smith

Please participate in our member survey e-mail about a NAHU dues increase for 2011. We need your input to vote your wishes in Chicago.

Coastal had its regular meeting on **May 27th**, with **Lisa Gibson** of **Inclusive Health** as our guest speaker.

Lisa reviewed the recent changes in Inclusive Health and proposed addition of Inclusive Health Federal. This is our new federal high risk plan available July 2010.

Our **Gold Sponsor** for May was **Bank of Oak Ridge**. We are glad to have them as a long term sponsor.

We also awarded our **Agent of the Year Award** to **Amanda Smith**, and our **Spark Plug Award** went to **Ray Custer**. Thanks to members like these that make CAHU a success.

June 24th, Coastal will be holding our, **13th Annual Charity Golf Tournament**.

We will have approximately **30 teams** out for a great time, awards, and food.

Our charity sponsor is **Tileston Health Clinic**. Tileston provides free health care and medication for over 4000 patients who have no other health coverage.

Patients receive care and medications without cost.

June 27th - 30th, **President Elect**- Ronald Sheffield, **Awards Chair**- Dennis Stokley and I, will be attending our **NAHU Annual Convention**. We have submitted our pacesetter and website award applications and we hope to be successful again this year.

July 15th, from 4:00pm – 8:00pm we will be having our, **1st Annual CAHU Family Cookout** for members and family. This will be held at **Hanover Seaside Club** on the ocean, in Wrightsville Beach. Thanks to member, Dennis Stokley.

Since this is my last official report, I want to say it has been an honor to serve for the 2009-2010 year as Coastal President. I have enjoyed the last year even with all the stress of the health care debate. We still have a long way to go on the local, state and national level.

I wish all well and hope to see you soon. - *Michael A. Smith*

FOR AMERICAN HEALTH CARE

HUPAC:

Connette Bradley

If you are wondering why you should contribute to HUPAC, let me ask if you want a voice in our health insurance industry's regulations. When NAHU contributes financial support to a candidate, our plea to support private-sector health insurance is heard, and we can counteract the united efforts of special-interest groups who oppose the free enterprise system of health care. HUPAC allows us to combine members' resources to make a difference for ourselves, our clients and our country. **Donate today to be part of the team that's making a difference.**

EDUCATION

Barbara Fleming

Our association's goal is to keep our members abreast of the current trends in the health insurance and related areas. It is through your participation and ideas that this can be accomplished. Please consider working with me in gathering some interesting speakers and valuable CE programs. Your ideas and suggestions are very important. Please complete the attachment survey and fax it to me at **910-793-4033** or e-mail it to **bfpres@ec.rr.com**, as soon as possible. Even a quick idea sent to my e-mail address would be appreciated. *Have a rewarding and restful summer.*
