

The *Yahweh Center Children's Village* is so honored to be a partner with **Coastal Association of Health Underwriters** in hosting a golf tournament to be held this year at beautiful River Landing Golf Course on November 7, 2011.

Our Christ centered agency for at risk and abused and neglected children provides Psychiatric Residential Treatment 24/7 for children ages 5-12 in North Carolina. We also offer Child Placing Services to children who are in need of Therapeutic Foster Care and Adoption. We have a passionate mission for these children who have suffered some of the greatest traumas imaginable at very tender ages and are located on 14 acres in northern New Hanover County in a lovely rural setting. www.yahwehcenter.org

We are a non profit organization that relies heavily on individual, church, civic groups, small businesses and corporate support in order to continue to deliver all the services around the clock that are transforming these children's lives. We employ a staff of Christian professionals in a multi-disciplinary team approach made of Registered Nurses, Direct Care Staff, Certified Teachers, Therapists, Case-Managers, and a Child Psychiatrist with 3 shifts daily to meet the needs of these children who need psychiatric residential treatment. Children are being healed.

Your participation in this golf tournament will be not only a great day of fun, fellowship, great food and prizes but is an investment in providing support to two non profits that have joined together to raise much needed funds. This wonderful day of golfing has been thoughtfully planned so that it will be a great time to spend times with friends, family and or associates on one of North Carolina's finest courses while providing a way to partner with our ministry at the same time.

We invite you to join with us by your participation and there are many options available which are explained in this packet presentation.

Thank you in advance, for being a partner in "helping us heal the hurt" of children in North Carolina who need your help for a brighter future.

Sincerely,

Carla J Roberts
Founder & Executive Director
